CHECKLIST

Membership Cost Checklist

- [ ] Count how many times you can ride each month realistically
- [ ] Add up the cost of social membership plus individual lessons at your expected frequency
- [ ] Compare that total to the next tier up and find where you break even
- [ ] Check the rollover policy for unused sessions
- [ ] Factor in equipment costs if you're starting from scratch
- [ ] Add insurance if the club doesn't include it in the fee
- [ ] Ask about family or junior discounts if they apply
